FDA  
Leave My  
Compounding pharmacy  
alone! It happens to  
be Madison Pharmacy Associates, Inc.!

Dockets Management Branch (HFA-305)

Docket No. 98N-1265

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

I would appreciate  
a written response  
from the FDA  
re this  
matter!

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,  
I OBJECT to the definition of "inordinate amount" which restricts the availability  
and the right to obtain medically necessary compounded medications by limiting  
the number of prescriptions that can be shipped across state lines from specialized  
compounding pharmacies.

Mary T. Hendershot

COMMENTS:

I am outraged that our tax-fed  
FDA would take away from me (my  
prescriptions from Madison Pharmacy Assoc ...!!  
I cannot tolerate the chemically  
made hormones like Premarin, Estrogel  
patches, shots etc etc! I've tried them all  
since a total hysterectomy in March 1981!  
Since Aug 1985 I have been under the  
care of Dr. James Edmondson <sup>(Chief Gynecologist)</sup> at Indiana  
University Med Center in Indpls, IN. My 14 yr  
record is there! Since discovering Women's  
Health Concerns & their medications I need,  
I am doing very well! I take my estrogen  
(especially compounded for my needs) under the  
authority of & blessings of Dr. Edmondson!  
This effort to (by the FDA) to ruin my life is  
outrageous in my opinion.

Please fold, seal, and mail by March 22

Respectfully-  
MTH
